*Ralph Lauren Pop-Up
Australian Open 2022, Melbourne VIC*

Ralph Lauren

Australian Open - 2021, 2022 & 2023

As the Official Outfitter of the Australian Open since 2021, Ralph Lauren has partnered with Apex Display to design and supply the fixtures for their experiential retail pop-up stores. UniSlot Cube was selected due to its innovative design, versatility, and ease of install. The same metal fixtures have been used each year, whilst updating the timber accessories to suit the brand direction - a true testament to the timeless character of the UniSlot collection.

Hey, we're Apex Display!

We believe creating memorable shopping experiences is key to successful and sustainable brick 'n' mortar retail.

Together, we create retail stores that are authentic to your brand, functional for you, and memorable for your customers.

It's not just what we do - it's our passion.

Our Customers Say

"The team at Apex Display have been extremely helpful, friendly and professional in providing quality products. Fantastic customer service! Very happy with the end result. Would highly recommend!"

Suzanne - Ringers Western

"We were impressed by the level of service and attention to detail they offered. When the fittings were delivered, we found exactly what we had been promised: very high quality products that were much easier to assemble and much more durable than we had from other suppliers."

Sajat - Sportsmans Warehouse

"I just wanted to pass on some positive feedback on the level of service that everyone at Apex Display provides and constantly goes above and beyond irrespective of what time of the day it is. A very tailored, bespoke and personalised service which is rare in this day and age."

Sheldon - Billy J

"Wonderful company to deal with, easy transactions, fast delivery and very friendly staff. I 100% recommend Apex Display!"

Tania - Beaux Lady

In-House Manufacturing

At Apex Display, quality is always front of mind. We're constantly investing in the most technologically advanced manufacturing systems to deliver you the standard of quality that is consistent with the great green and gold.

UniSlot timber components are produced at our Brisbane manufacturing facility. Besides giving us the flexibility to create new ideas, this enables us to deliver unparalleled quality with short lead times - delivering what you want, faster!

Apex Display also produces a selection of slatwall products, modular retail counters and shop furniture in-house. We're committed to growing the Australian Made range, so keep an eye out for new products.

“

"I do like that UniSlot is Australian Made. It makes the product more sustainable and it matches our Australian brand ethos."

Standard Finishes

We understand the impact that finishes have on the overall appearance of your store. That's why UniSlot and our Australian Made displays are available in a range of designer finishes to ensure that your store delivers impressive results.

"Good fitouts increase the perceived value of your product. We've seen average sales rise by 30% after a new shop fitout."

Shop Fittings

UniSlot

A modular, versatile and customisable shopfitting system exclusive to Apex Display. Designed and engineered for modern retail needs, this system is the ultimate display solution.

Peggie

A clever, designer style modular shopfitting option. Peggie can be paired with UniSlot for boutique feature displays, or completely on its own as a wall-mounted display.

Slatwall

A traditional retail display system with a simple yet effective design - horizontal aluminium slats incorporated in a plain or decorative melamine panel to hang various display accessories.

Shop Counters

Australian Made modular counters, pre-assembled to save you time and money. Configurable to suit your store, theme and budget.

Why UniSlot?

One system, endless solutions

“

“The UniSlot system was so easy to install. Being modular, it allows for a range of easy adjustments that totally change the display look and finish. Highly recommend!”

Sam - We the Riders, Gold Coast QLD

UniSlot Wallmount

UniSlot Wallmount is a modern take on the traditional slotted post and rail system, offering greater flexibility and functionality. The simple design allows you to dress this display up as much or as little as you like. The modular and scalable design makes this system appropriate for a large variety of retail applications.

Benefits of UniSlot Wallmount

- Easy to install solution for long-term leases
- Can be installed over slightly uneven walls or small ducting using the Offset Mount
- Maximises available floor space in small stores
- Large range of interchangeable accessories
- Pairs well with UniSlot Feature Pod (see pages 70-75)
- Modular components allow you to adapt your display to changing seasons and product ranges

Slatwall

Slatwall

Slatwall is a traditional and simple shopfitting system, known for its merchandising flexibility and affordability. With some small changes, it can be used to create a very minimalist but effective display system. Varying the slat spacing, utilising modern finishes or upgrading to black inserts can easily take slatwall to a whole new level.

Benefits of Apex Display's Slatwall

- Great solution for lightweight products
- Choose your ideal slat spacing to suit your product size
- Cut to size to fit different wall lengths
- Easy installation
- Australian Made for ultimate quality, strength and durability

Dump Bins

Intersport
Yeppoon, QLD

A photograph of a retail store's glass storefront. The store is named 'homebodi' in a large, light-colored serif font on the glass. Inside, the store is brightly lit with warm, yellowish light. The interior features gold-colored arched frames and hanging racks of clothing. Several mannequins are displayed: a full-body mannequin in a pinkish-red pajama set, a smaller child-sized mannequin in a white short-sleeved shirt and shorts, and a full-body mannequin in a white long-sleeved dress. A white shopping bag is visible on the left. In the foreground, there is a blurred green plant on the left and a light-colored tiled floor.

Terms and Conditions

Order Methods

You can order with Apex Display instore, online, via email or over the phone. If you have any special delivery instructions or a Purchase Order number, please let us know when placing your order. **The minimum order value for orders to be dispatched is \$100, excluding freight and GST.**

Payment Methods

We accept payment by Visa or Mastercard, direct bank transfer, and 30 day EOM account for approved account holders. For non account holders, orders must be paid for in full before dispatch. Payment receipts or remittance advices are not sufficient evidence that funds have cleared into our account. Orders involving in-house manufactured items require a deposit prior to production of your order (see below).

In-House Manufactured Products

Orders including in-house manufactured products require a deposit payment to secure your order in the production queue. The deposit value will be discussed during our proposal to you. We are unable to offer exchanges, refunds or credits for change-of-mind returns on customised products.

Order-In Product Lines

Order-in product lines must be paid for in full before we can process your order.

Shipping

In stock orders placed before 12pm are shipped the same day. We ship through our nationwide network of reputable carriers. Please advise any special instructions on your order. Shipping times provided are an estimate only from our network of carriers - we cannot guarantee these as they are outside of our control.

Shipping of Large Orders

Delivery of large orders such as pallets, crates or long items to small retail stores and shopping centres can often be a challenge and as such may incur additional shipping charges. In instances where delivery is difficult due to circumstances outside of our control, we will endeavour to notify you of this as soon as possible and work with you to arrange an alternative solution. Please assist us with any specific details such as opening times, forklift availability and contact details to ensure your order is delivered safely and as soon as possible.

Order Collection

Orders can be collected from our warehouse at Unit 2, 19 Proprietary Street, Tingalpa. We will inform you as soon as your order is ready for collection. You can organise your own courier to collect your order at your responsibility.

Damage In Transit

Ensure you check the condition of your goods on delivery. If you suspect the goods are damaged, either refuse the delivery or sign for them as STC (subject to checking). Please contact us immediately with photos of any damage.

Returns

Items that are defective or damaged can be returned at no further expense to yourself, as long as it is claimed within 7 days of receipt.

If you change your mind or incorrectly order goods, we will provide a refund less a handling fee of 20% of the order value, as long as it is within 7 days of receipt. You must arrange return shipping at your own expense, and all items must be returned in original packaging and condition.

Please note order-in product lines, custom items (including Premium Finishes) and clearance items are non-refundable.

Quality Guarantee

We're confident in bringing you the highest quality products and service every day. Contact us if you are not completely satisfied with your purchase or if you feel your experience with us was less than perfect. We'll ensure your enquiry is resolved promptly.

Pricing

All prices displayed in this catalogue are correct at time of printing and are subject to change without notice. All prices exclude GST & delivery. E & OE.

Up-to-date pricing, lead times and our full terms and conditions can be found online at apexdisplay.com.au.
